1 HOUR TRAINING CREDIT OPPORTUNITY!

Prop Box Feedback is a way to utilize the prop boxes with you and the children in mind. By sharing your experiences on the feedback form, you will be eligible to receive 1 hour of training credit for each box that you complete the feedback forms. Each page of the feedback forms needs to be filled out completely to receive the 1 hour credit.

Purpose: Children learn a variety of skills through exploration and play. With the materials included in the prop box you can plan activities purposefully and intentionally. As you plan activities using the materials, you can observe and engage with the children as they play. This is an opportunity to help them explore new concepts and practice critical thinking skills!

How: The materials and resources can be used in a variety of ways and you will notice the children's growth in language development, motor skills, and other areas. Share your ideas because you are giving other providers ideas for activities of their own. Tell us the different ways you and the children used the prop box on the feedback questions included in the box.

Call 800-782-7318 or 217-222-2550 and ask for **Emilee** or email ebutler@wccccc.com with any questions.

Visit our website at www.wccccc.com for a complete list of prop boxes.
